# INTRODUCTION

On the 348 rolls of this microfilm publication are reproduced the applications submitted for shares of the money that was appropriated for the Eastern Cherokee Indians by the Congress on June 30, 1906. The Eastern Cherokee applications, August 29, 1906-May 26, 1909, are part of the Guion Miller Enrollment Records that are among the records of the U.S. Court of Claims. This publication also includes a general index to Eastern Cherokee applications (two vols.).

## History

Before the U.S. Court of Claims was established in 1855 there was no procedure by which claims arising against the U.S. Government could be enforced by suit. Consideration of claims was provided for when the Treasury Department was established in 1789; later acts of the Congress authorized the Department to settle all claims by or against the Government. If a claim was rejected by the Treasury Department, the claimant's only course of action was to appeal directly to the Congress. Petitions to that body for relief had become so numerous by the middle of the 19th century that the Congress was beginning to find it impossible to make the proper and necessary investigations for actions on the claims.

The U.S. Court of Claims was established by an act of February 24, 1855, to hear claims against the United States including those referred to the court by the Congress, based on any law of the Congress, any regulation of an executive department, or any contract with the Government, whether explicit or implied. Under this act the court served only as a factfinding agency, and its conclusions were submitted to the Congress for approval and for the granting of awards. In 1863 the Congress enlarged the court's jurisdiction and gave it authority to render judgments against the Government, with the right of appeal to the Supreme Court. An act of 1925 abolished appeals from the Court of Claims to the Supreme Court and substituted writs of certiorari.

An act approved July 1, 1902 (32 Stat. 726), gave the Court of Claims jurisdiction over any claim arising under treaty stipulations that the Cherokee Tribe, or any band thereof, might have against the United States and over any claims that the United States might have against any Cherokee Tribe or band. Suit for such a claim was to be instituted within 2 years after the act was approved. As a result, three suits were brought before the court concerning grievances arising out of the treaties:

(1) *The Cherokee Nation* v. *The United States*, General-Jurisdiction Case No. 23199; (2) *The Eastern and Emigrant Cherokees* v. *The United States*, General-Jurisdiction Case No. 23212; and (3) *The Eastern Cherokees* v. *The United States*, General-Jurisdiction Case No. 23214.

On May 18, 1905, the court decided in favor of the Eastern Cherokees and instructed the Secretary of the Interior to identify the persons entitled to participate in the distribution of funds for payment of the claims. On June 30, 1906, the Congress appropriated more than $1 million for this purpose. The task of compiling a roll of eligible persons was begun by Guion Miller, special agent of the Interior Department. In a decree of April 29, 1907, the court (1) vacated that part of its earlier decision that had given the Secretary of the Interior responsibility for determing the eligbility of claimants and (2) appointed Miller as a special commissioner of the Court of Claims.

The same decree also provided that the fund was to be distributed to all Eastern and Western Cherokee Indians who were alive on May 28, 1906, who could establish the fact that at the time of the treaties they were members of the Eastern Cherokee Tribe or were descendants of such persons, and that they had not been affiliated with any tribe of Indians other than the Eastern Cherokee or the Cherokee Nation. The decree further provided that claimants should already have applications on file with the Commissioner of Indian Affairs, or should file such applications with the special commissioner of the Court of Claims on or before August 31, 1907. Additionally, applications for minors and persons of unsound mind were to be filed by their parents or persons having their care and custody, and applications for persons who had died after May 28, 1906, were to be filed by their children or legal representatives.

In his report of May 28, 1909, Miller stated that 45,847 separate applications had been filed, representing a total of about 90,000 individual claimants, 30,254 of whom were enrolled as entitled to share in the fund--3,203 residing east and 27,051 residing west of the Mississippi River. On June 10, 1909, the court confirmed and approved the roll, submitted by Miller in his report, of Eastern Cherokees who were entitled to a share of the fund except "so much as shall be expected (excepted) to on or before August 30, 1909." After the exceptions had been filed and investigated, Miller submitted a supplemental report and roll to the court on January 5, 1910. In this report he stated that about 11,750 exceptions had been made, that the names of 610 persons (238 east and 372 west of the Mississippi) had been added to the roll, and that the names of 44 persons (5 east and 39 west of the Mississippi) had been stricken from the roll because clerical errors in enrollment had been discovered. Thus the final figure on the total number of persons entitled to share in the fund was 30,820, of which 3,436 persons

resided east and 27,384 resided west of the Mississippi River. On March 15, 1910, the court finally decreed that the rolls be approved and that, after certain deductions for expenditures, payments were to be made equally among the Eastern Cherokees who were enrolled. The court also authorized the Secretary of the Treasury to issue a warrant in favor of each person.

In certifying the eligibility of the Cherokees, Miller used earlier census lists and rolls that had been made of the Cherokees by Hester, Chapman, Drennen, and others between 1835 and 1884. Copies of some of these rolls and the indexes to them are filed with the Miller records(filmed as M685). Other enrollment records used by Miller are among the classified subject files of the Bureau and are designated as "33931-11-053 Cherokee Nation."

## Records

The applications contain sworn evidences of identity and were filed with the Interior Department's Office of Indian Affairs until April 29, 1907 (the last application was No. 22268), after which the applications were filed directly with the court. The application required each claimant to state fully his or her English and Indian names, residence, age, place of birth, name of husband or wife, name of tribe, and names of children. It further required the English and Indian names of the claimant's parents and grandparents, place of their birth, place of their residence in 1851 if they were living at that time, dates of their death, and a statement as to whether any of them had ever before been enrolled as Indians for annuities or other benefits and, if so, with what tribe. Each claimant was also to furnish the names of all brothers and sisters, with their ages and residences, and the names and residences of all uncles and aunts. Applications were required to be made under oath and to be supported by affidavits of two witnesses who were well acquainted with the applicant. With each application is a card showing final action taken and the reasons therefore. Filed with many of the applications are inquiries concerning the status of the cases, requests for further evidence, protests about unfavorable actions, form letters that had been sent by the special commissioner to the applicants as notices of rejection of their applications and returned by the Post Office Department as unclaimed, affidavits and statements of witnesses, powers of attorney, and last wills and testaments. The applications are arranged by the number assigned at the time the application was received. There are some gaps in the application numbers; these are explained on insert sheets at the appropriate places on the film. The index is arranged alphabetically by name (either English or Indian) of claimant.

Many of the files contain a cross-reference card to other applications. This cross-reference card often refers to the EX file, the report on exceptions filed by Miller on January 5, 1910.

## Related Records

The records reproduced in this microfilm publication are part of the records in the custody of the National Archives and Records Service (NARS) designated as Records of the U.S. Court of Claims, Record Group (RG) 123. *Records Relating to Enrollment of Eastern Cherokees by Guion Miller, 1908-10*, M685, contains the general index to Eastern Cherokee applications, 2 volumes; the report submitted by Guion Miller, May 28, 1909, 10 volumes; the roll of Eastern Cherokees, May 28, 1909; the report on exceptions filed, January 5, 1910; the supplemental roll of Eastern Cherokees, January 5, 1910; transcripts of testimony, February, 1908-March 1909, 10 volumes; various indexes and rolls of Eastern Cherokee Indians, 1851, 1854, and 1884; and miscellaneous notes and drafts.

Additional records relating to the enrollment of Eastern Cherokee Indians are in Records of the Office of the Secretary of the Interior, Record Group 48.

These records were prepared for filming by Jestine Turner and William D. Grover, who also prepared these introductory remarks.

Alice Beamer being first duly sworn through, Tom Reech, Interperter, deposes and says:

I am about 42 years of age. The application you have is one I made for my deceased brothers children, Dave Guess. Dave and I were half brother and sister on the father's side. I have filed application no 8045 for myself. My father was an Emigrant and I think in 51 he was living in Delaware District with a woman named Ca-luh-dih. My father's name then was Wee-lih Ah-del-a-guah or Will Big Honey. Ca-luh-dih was Dave's mother but he wasn't born until after the payment. My father may not have been married in 51. My father's father was named Ah-del-a-guah. His mother mother was named Dah-ya-nih. I think they were living in 51. My father had a brother named A-luh-guah but don't know whether he was older or younger. He had another brother named Dah-lone-dee-ski. A sister named Da-gih. There was another half brother of my father on his mother's side, named Loo-nih or Looney Cluh-dah-gih or Looney Tiger was his English name. My mother's name in 51 was Jin-nih or Jane. Hilde-brand. These minor's mother was named Oo-scoo-nih. She didntv draw money but her folks did. Her father was named Ahcle-daw-he.or Ah-cle-daw-he Se-quah-neet or Runabout Young Pig. Her mother was named Uh-wah-dih. There was one child named Ga-dih or atie that might have been old enough to draw. They lived in Delaware District. My father's name more correctly is Wee-lih- Ah-day-luh-a-quah. Don't believe these minors were over enrolled by the Daws Commission, their parents were night hawks. The children are full bloods and they and their poorle were Emmigrants and always lived with the Cherokee tribe..

Dear Sir:

You were notified to appear at Marietta, Georgia, on July [illegible], 1906, before my assistant, Frank D. Ryan, to produce additional testimony in the matter of your application to participate in the judgment of the Court of Claims in favor of the Eastern Cherokees.

You failed to appear or produce any witnesses, and as we will not be in your section of the country again for the purpose of taking testimony, it will be absolutely necessary that you answer each and every one of the following questions: If you cannot answer any given question, so state, but be sure that it has not escaped your attention.

1. As near as possible, name the county in State where each ancestor, who is descended from the Indians, was born and raised, and if they resided in more than one place, so designate, and state when they resided in each.

2. How are you recognized at the present time in the community in which you live? That is,- are you considered white, Indian or colored? If colored, are you, or any of your ancestors ever held as slaves? If so, were you slaves of Indians or of white people?

Mr. Lewis Miller
Washington D.C.

Kind sir

In reply to yours of the 9th inst. relating to my application to participate in the Eeastern Cherokee fund.
I note you want to know who first told me that Ash Hopper was my Great Grand Father and why I fail to mention him in my Original application
When I made my first application 3 or 4 years ago I claim my Indian blood through my Grand Mother Ann Hopper (who married Augustus Grant) who was a half

Hood Cherokee Indian. but since
that time I have made our family
history a special study. My Father
[redacted] from Georgia to Alabama in
1835. I were a child only about 9 years
old, in 1835-7 or 8 my uncle Frank Reese
who married my Mothers sister Ann Trant
came from Georgia to Alabama
and my Grand Mother Ann Hopper Trant
came with them and they came
to my Fathers House and stoped a while
with us and my Mother was asking
them about Ash Hopper and they talk
about him in a general way. then
after that my Grand Mother Ann Hopper-Trant
live with my Mother about one year
and my Mother & Grand mother-in-law used to
Ash Hopper very often, then my

Grand Mather Went to live
With my uncle Nesbit Trant
in arkansas But I never heard
much more about Ash Hopper
As my Mather would not talk to
her Children about her Indian-
blood she always seem to think
it dishonerable My Father would
refer to us Children as living
Indians (in a joking way) So I now
am fully confident that Ash
Hopper is my Great Grand Father
And when my first application were
rejected I filed my Objection on
this belief.

I note you Want to know who
told me that he lived on Pea Vine
Creek Walker County Georgia

And were enrolled from that
in 1835. My Mother often refered
to Bear Vine creek & Pumpkin creek
and one Mr. Enoch Vandiver who came
from Georgia with my Father tells
me that my Profit once lived
in Walker county Georgia. He
came and spent a day with me
and I learned a great deal about my
Family history back in Georgia
before my day, he was a full
Grown man when he left Georgia
and I heard my Mother say that
when the Indians left Georgia
that they came by her Fathers
House and stoped a while and my
Grand mother conversed with them
my Mother was then a child about

9 or 10 years old this is my
reason for thinking or knowing
that he lived in Walker Co.
Georgia on Pea Vine Creek
Now my Mother was born in
1826 and she said she was 9 or 10
years old when the Indians
left Georgia this would bring
the date up to 1835-6 this is
my reason for thinking that
he were surveyed on Pea Vine
Creek Walker Co. Georgia 1835-
I note you ask if I can give
the name of any person who knew
that my Great Grand Father did live
on Pea Vine creek in Walker Co. Georgia
Nothing more than the above.

I note you want to know when
did I first learn that my Great
Grand-Father lived at this place
and from whom did I learn it
I learnd it from my mother
speaking of Raccoon creek as though
she once lived there and her Statement
Corroborated by Mr. Enoch Vandiver
I feel confident that the Court
of Claims will sustain my
application for I know that I
am contending for my just
right and I feel shure you will
agree with me

Yours Respt.

You did not mention it in your original application and I assume that you have obtained this information recently and I would be glad to know from whom you obtained this information so that I could look into the matter further. G E O R G I A,

BARTOW COUNTY.

Personally before the undersigned officer came J. B. Knox, who on oath says :-

I am now about sixty-seven years of age, and have been a citizen and resident of Cherokee County, Georgia, all of my life except during four years of the Civil War between the States, and also except about six years from the year 1875 to the year 1881, during which period I resided in Gordon County, Georgia. During my residence in Gordon County, Georgia, I became acquainted with John Wickett, commonly known as Jack Wickett.. He was known and recognized by the entire community as having Indian blood in him from being from one-half (1/2) to three-quarters (3/4) a Cherokee Indian. He was over sixty years of age when I became acquainted with him, and afterwards died at my house in Cherokee County, Georgia during the year 1887, at which time he claimed to be seventy-two years of age.. He was married, and his wife was living with him when I knew him in Gordon County, Georgia. She was also said to have some Indian blood in her veins.. The said John Wickett had four daughters and twosons by his said wife. The two sons were named John and Lem, both of whom were alive and members of the Cherokee Nation. Both of them had been in the Cherokee Nation and members of it before the death of their Father. The daughters of the said John Wickett, Sr., were as follows :- Rebecca Wickett, who married Thomas Roberts, of Cherokee County, Georgia, and afterwards died, leaving several children surviving her; another daughter was known as Linney, and married a man by the name of MC[illegible]mickard resided with him in Chattanooga, Tennessee,

where she died several years ago, leaving several children surviving her; another daughter of the said John Wickett, Sr., was named Queen Victoria, who married a man by the name of Ike Guy,. and after her marriage to said Guy she died in the State of Tennessee leaving at least one child that I know of, to-wit :- a daughter, R. L., commonly known as Joe, and who married a man by the name of Sherman Langston, residing in Bartow County, Georgia; another daughter of the said John Wickett, Sr., was named Sarah Wickett, who first married a man by the name of Ed Smith, who was killed or died during the Civil War, leaving the said Sarah his widow, and one child surviving him. This child of the said Sara was named Fannie, who married M. A. Black, in Gordon County, Georgia, during the year 1880. The said Fannie had two children by the said M. A. Black and died leaving him and the two said minor children surviving her in the year 1894. These two children are as follows :- One of them is named Moda Black, who has never married and resides with her father In Bartow County, Georgia, . The other daughter of the said M. A. Black is named Mindo, and she married a man by the name of Sylvanius Harris, with whom she now resides in Bartow County, Georgia. This deponent further says that in the year 1881 he himself married the said Sarah Smith, daughter of John Wickett, Sr., and deponent ~~rax~~ lived ~~xixed~~*with his said wife until her death in Cherokkee County, Georgia, during the year 1899.. The said John Wickett, Sr., was well known and recognized as a member of the Cherokee Indian tribe, but did not go with the tribe on it's removal from the State of Georgia to Indian Territory. Deponent further says that the said John

Wickett, Sr., amz during as many as three different years that I remember attended as a delegate to the Indian Councils held at Tellequah, in the State of North Carolina. He was recognized as a genuine Cherokee Indian.

Were you or either of your parents ever held as slaves, and if so, by white people or Indians?

John H. Partian, after being first duly sworn, deposes and says:

I am 25 years of age; was born in Pickens County, Ga. I claim Indian blood through my father. He never received any Indian money from the government. My grandparents never received any Indian money from the government. My grandmother never lived with the Indian language. I never saw her. Do not know if she spoke the Indian language. She lived in Pickens County, Ga. I never heard my mother say anything about being enrolled in 1882 by a government agent. I have heard my father talk of my Indian blood ever since I was a little boy.

Oktaha, Indian Territory.

Madam:-

Replying to your letter of recent date you are advised that the applications for participation in the Eastern Cherokee fund have not been taken up for final consideration as the Court of Claims in its order of April 29, 1907, has extended the time for the filing of applications to August 31, 1907, and until the applications have all been filed it will be impossible to give final consideration to any of them.

As there are already over 29,000 applications on file and the claimants are widely scattered through the United States it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

If there is any further information required in connection with your application you will be notified.

Very respectfully,

Special Commissioner.

For share of money appropriated for the Eastern Cherokee Indians by the Act of Congress approved June 30, 1906, in accordance with the decrees of the Court of Claims of May 18, 1905, and May 28, 1906.

App. No. 17441 - 9004

Malinda J. Watson being first duly sworn, deposes and says:

Iam 46 years of age. I was born and raised in this state. I got land through the Dawes Commission, No. 5575. I get my Indian blood through both parents. My father was on the Georgia roll but when he came to this country he just lived as an adopted citizen. He wouldn't pay to get on the Cherokee rolls. Luteshia Lilly was the name of my mother. She married Simmons. They were all born in Georgia. My parents married after they came out here. I was 12 years old when my mother died. Chee-a-min was the Indian name of my mother. My grandmother on my mother's side was named Nancy Lilly. I don't know whether my people were enrolled In 1851 or not. Never heard them say anything about ever getting any money. My mother had a sister named Ellen. I don't know the name of my grandfather on my mother's side. Don't know the names of any of my grandmother's brothers and sisters. Nor do I know the names of any of the brothers and sisters of my grandfather. My people were Old Settlers, I guess. I don't know in what year my people came West. I said above that my peopple were Old Settlers, but I say now that I don't know whether they were Old Settlers or not. I have never gotten any benefits from any other tribe of Indians. Sul-le was the Indian name of my father. My father was 18 years of age when he came West. I would judge him to have been about 50 when he died. My father was named Bane in the old country but when he came here he changed him name to keep his father from finding him! My father had a brother named Andy Bane. (Witness does not know anything about her ancestry notwithstanding the questions were asked). My people lived in Tahlequah District when they first came West.

App. No. 9004

January 14, 1908.

Lewis D. Simmons,

Sallisaw, Oklahoma.

Sir:

You claim a right to share in the distribution of the Eastern Cherokee Fund through your mother, Letitia Simmons, nee Lilly. You also state that she was living in the Cherokee Nation in 1851 and that she was enrolled with the Eastern Cherokees at that time. The name fails to appear on the roll; was she known by any name other than Letitia Simmons? Did she have any Indian name; if so, what was it? Give the names of her family that were enrolled with her in 1851? Was your grandfather on your mother's side a Cherokee? Was your grandmother Nannie enrolled with your mother in 1851?

Were any of your people ever held as slaves; if so, were they owned by white people or Indians?

Also state whether or not any of your ancestors were old settlers and did any of them ever share in any old settler payments?

Please give this matter prompt attention and refer in your reply to the number of your application.

Very respectfully,

H.K/WLA

None of the ancestors through whom you claim your Cherokee relationship appear on the Cherokee roll. Kindly state the reason why your relatives through whom you claim your Cherokee blood do not appear on the Cherokee rolls of 1835 and 1851. How did this band of Cherokees come to be in Indiana when these rolls were made out, if they were there at that time? Had they severed their tribal relations with the Cherokees in the East, with whom they had been connected before?

Unless you can explain fully why your ancestors were not enrolled or can give the Indian names under which they were enrolled so that they can be found, we will be unable to consider your application further.

Dear Sir. In reply to yours of the 3rd inst. I write to say I do know the Indian name of Emma Jackson daughter Minerva Moore Smith claim. She was never allowed to use the name of her father who was the chief of a tribe of Cherokee Indians at that time located in Illinois Ind.

None of my ancestors were ever slaves! My grandmothers mother was the daughter of rich white people, Mr. & Mrs. Jackson, Hussar Jackson the daughter was left with the Chief of the tribe and lived with him until she left to be with my grandmother. Their Indian Country name was Nancy. Mr. Jackson called his daughter by the name of Nancy as his name was Nancy Nightingale but in English Language

Sir:-

I am requested by Susie Arch, of Welling, I.T. to write you, in regard to her application for a share in the "Emegrant"or Eastern Cherokee money. She states that she made application sometime last February, on the regular blanks, furnished by your office, and has not as yet received any notice of the filing of the claim.

Susie Arch is a full-blood Cherokee indian, but speaks and writes the english language, she is sometimes known as Susie Weley, and may have signed her name as such, her age is about 25 years, I should judge, and her present post office is Etta, I.T. though she gave Welling, I.T. as her post office, in the application, she was a daughter of Tom Tail, of Flint District, Cherokee Nation, I.T.

Please give me this information, and in case her application has not been received, state whether an application, for eastern cherokee money would still be considered.

Very Respectfully,

Mary Hayes,

Murrayville,

Georgia.

Madam:

Relative to your application for participation in the fund arising from the decree of the Court of Claims in favor of the Eastern Cherokees, please state whether you claim the right to share through any other source than your father Simpson Hayes, and your grandfather Samuel Hayes?

Why were your parents never enrolled?

Why were your grandparents never enrolled?

Why have you never been enrolled?

What are your reasons for thinking that you are a Cherokee Indian, and state clearly through what ancestor you claim the right to participate in this fund.

An early reply will be appreciated.

Very respectfully,

Special Commissioner.
